CDDO Updates:

- All behavior outreach referrals or admissions need to be coordinated through Jess Reling, not Parsons or KNI
- Working on list to make for provider's-what is supposed to be uploaded to BCI and by whom
- Any transfers to Shawnee County, should be referred to Jess Reling as soon as possible and notification inquiries regarding service changes or interest in services should be referred to Coleen Hernandez or Sabrina Winston.
- PCSP plans are being reviewed by Larry, so providers and case managers need to make sure they are using the crosswalk and current PCSP
- Regarding assessments, 5 and 6 on behaviors should have supporting information regarding to support the BASIS. Pay attention to dates and document all reasons why the BASIS for the current year might not have been able to have been completed within 365-day mark, if it's late
- No update on the template for behavior support plans

Representatives from Aetna
Aetna is replacing Amerigroup January 1, 2019-Amerigroup members were sent a letter announcing the change. Medicaid members have been given the option to stay on with Aetna or change over to Sunflower or United and have until 4-3-19 to decide. Services will be as continuous as possible, keeping in mind until that 1-1-19 date, Amerigroup is responsible for all claims. Aetna has member services, call center and website up and active. Affiliates need to remember to enter into a contract with Aetna, current one with Amerigroup will not roll over. Affiliates need to obtain a KMAP number by 11-1-18 and need to be in touch with Aetna ASAP. Aetna will provide I/DD experts as team leads whom Case

Managers and Affiliates can contact day or night. Aetna discussed Positive Behavioral Supports as an initiative they are attempting to implement. ACT team consultants are working with KU. One contact person for all access to I/DD team and team lead, this is the system of care for both adults and children. Each person will have one Service Coordinator, I/DD team lead. Town Hall meetings, once a month innovative lunch series', and Roadshows will start to take place in late October to the end of November. Aetna promises lots of resources to help this transition and hands on learning on how to use their system and materials. There is a \$500 dental benefit to Aetna members. Aetna is working on being able to utilize \$5,000 grant for those in nursing homes that could get back into the home with modifications to the home, personal, and respite care. Aetna is actively trying to hire.

Next meeting is scheduled 3-5 pm on Thursday, December 6
