CDDO Report- Ramona Macek, CDDO Director:

Ramona Macek presented her regular report to the council.
Ramona shared information with the council about the Case Management Conference held in July that the CDDO was greatly involved with.

Ramona informed council members about a CDDO review that SRS/HCP was going to hold at the CDDO office on August 8th. The focus would be on getting feedback from consumers and families- without involvement from CDDO staff. Approximately 40 individuals will be involved in one-day review. Ramona also informed the council that the CDDO would be sending out satisfaction surveys to consumers, sometime in the future.

Other Business

Ramona asked the council to once again make sure that council members have updated their contact information on the council roster. Nick asked about Neysa Ummel's status on council. Juliet informed the council that she has resigned from the council. Nick would contact Neysa personally to discuss further. Nick also raised question about Clyde Clark's status? Discussion followed and it was agreed that if Clyde wants to attend meetings council must make every effort to help him get involved with the council.
